835 Oakwood Ave, Wilmette, IL 60091

## EDUCATION

### **Northwestern University**

GPA: 4.0/4.0  
Bachelor of Arts in Computer Science

Evanston, IL  
Expected Graduation: June 2021

### **Tulane University**

GPA: 3.92/4.0, Presidential Award Scholarship Recipient  
Tulane Honors Program member; Dean's List all semesters

New Orleans, LA  
August 2017–May 2019

## EXPERIENCE

### **Research Assistant, Northwestern Social Media Lab, Evanston, IL**

Winter 2020

- Collaborated with faculty and students on ongoing research and system development
- Developed custom relational SQL database for research purposes
- Currently participating in ongoing research projects for class credit

### **Codeverse, Chicago, IL**

Summer 2019

#### *Instructor*

- Led classes on programming and game design
- Educated children between the ages of 6 and 13, reinforcing my fundamental programming concepts
- Collaborated with supervisors and co-workers to develop new curriculum material

### **Tulane Academic Learning and Tutoring Center, New Orleans, LA**

Spring 2019

#### *Peer Tutor*

- Individually tutored students in Calculus, Accounting, Computer Science, and Statistics
- Coached struggling peers in my strongest subjects and helped them develop study skills and habits
- Trained new tutors and communicated with professors to generate better study materials

### **Freelance Web Design, Evanston, IL**

2013–2018

#### *Full-stack design and administration*

- Designed and administrated websites for several small businesses in Chicagoland area
- Won bid to create high school charity auction site, serving over 4,000 members of community
- Gained experience managing large databases, e-commerce, and clients

#### Selected Projects

- OFL Soccer: designed in 2013 to manage and provide information for a 100+ player adult soccer league. Features include a backend database of player and team performance and a team captain roster management system. Maintained and updated for several years.
- ClosetSPACE: a multimedia art exhibit and competition which used an online submission form to collect works of art from contributors around the Chicago area. Created in 2017.
- Wrēnch: a site created for my friends' band in 2018. Features a fun design and Spotify integration.

## LEADERSHIP AND SERVICE

### **Tulane University Club Mixed Martial Arts, New Orleans, LA**

Fall 2018–Spring 2019

#### *Vice President*

- Led growth of team after major turnover the year previous
- Hired external coach and acquired first aid officer certification

## SKILLS

Intermediate Chinese speaking and writing skills, 5 years of study.
